

## An Update from Andrew...

As I write this, a large group of youth ministers is preparing for the final session of REVIVAL, the youth ministers retreat we host here. **Jon David** has done a great job coordinating this event, and several have worked hard to make it happen, such as **Katie Williams** and **Amy Schwartz**. Our all-star breakfast crew was on hand again, and they also prepared lunch and dinner on Tuesday. What a blessing to be part of a church family that works so hard to encourage so many people!

I hope we all benefitted from our "special reminder" on Sunday. **Jon Winchester** is going to be sharing a reminder each week about a different ministry that is made possible because of the giving of the Graymere family. We are not preparing for a special collection or other kind of specific effort, we just want to highlight the way our weekly contribution is used by God to impact people's lives. Let's continue working together to allow God to work through us.

We have had a lot of blessings over the past few days. We celebrated with the Landmans, on the safe arrival of Micah Emmitt. We appreciated the Wednesday night invitation from **Jeff McGinn**, reminding us that we all struggle and challenging us to glorify God in the way we prayerfully face challenges. Yet we also have shared in heartache over these last few days. We have grieved with the families of Lanny Franklin, Sandra Shires, and Judy Howell. Let's be sure to keep praying for them in the days and weeks to come.

It is not too early to begin planning for Friends Day, which is April 2. We tried something new this year, scheduling our Friends Day for the Sunday after Mule Day. It seems that each year, we have several guests in worship on that weekend, and we thought it might present a good opportunity to reach out to others. Plus, by Sunday, the traffic from the week has died down, so it is easier to get to the building! Our goal for this day is to invite others, especially those who do not have a church home or have not attended a worship service often. We will design the entire service with them in mind, making it an ideal way to introduce someone to the church. Let's begin praying for that day right now.

### Sunday's Messages

## BIBLE KIDNECTION IS GROWING!

If you are in the building on Sunday nights, you know that our Bible Kidnection program continues to be a blessing to our children. **At the start of June, the younger class age requirement will change to 3 years old.** This will help our teachers have a smaller age range to prepare for, as well as keep the class size from being overwhelming for either teachers or children. If your child is not 3 at the start of June then they will need to wait until they have moved into the 3 year old class, at which point they will be eligible to attend Kidnection.

Thank you for your understanding!
