

## An Update from Andrew...

We had an outstanding Friends Day last Sunday! There were several guests with us, and I enjoyed watching our Graymere family welcome them. Let's be sure to follow up with the people we invited and continue to encourage them. Thanks to all who helped set up for the potluck, and for all who cooked. Those fellowship times are always special!

We also welcomed our group back from the mission trip to Arizona. I know we will be hearing more about all the hard work they did, and it has been encouraging to hear stories about door-knocking, Bible classes, special singing classes, building renovation, service projects, and more. Over the past two years, contacts made on these trips have led to individuals being baptized at Salt River. Let's pray that those who were contacted by this trip will continue to study and make that decision to follow Christ.

If you haven't been on our website lately, you might not realize all the tools it contains. Of course, you can use either our website or our Graymere app for live streaming of worship services when you are unable to attend. It seems like each week I hear from people who are thankful for that feature. Also, we have an extensive archive of each sermon preached at Graymere, as well as the accompanying PowerPoint. In addition, you can use the Graymere app to listen to audio sermons in podcast form. Feel free to pass that information on to anyone you think might be interested in listening. There may be some who would rather listen to a few sermons before attending; maybe this could be a tool to reach out to them!

Sunday evening will feature a special event that is always fun. The ministers will be taking on our Bible Bowl team in a friendly Bible Bowl competition. We always have a lot of fun with it, and I always leave impressed with how much scripture our young people have learned. **Chris and Denise Tullis** always do a great job with this group, and I look forward to seeing our Bible Bowl teams in action! Don't forget about all the different Bible Bowl events that will be taking place a week from Friday. Let's encourage our young people as they encourage us!
