

An Update from Andrew...

Sunday gave us the opportunity to worship together, and we had the chance to welcome several guests! We should always strive to make our visitors feel welcome. Sunday night was a wonderful time as well, as **Billy Mynes** put Christ on in baptism! Billy has been visiting with us for a few weeks, and I hope you will congratulate him on his decision and encourage him. I'm also thankful to **Chad** for preaching a great lesson that night. I was speaking at the Bellevue congregation, and I met several families who had connections to Graymere. It is always neat to see the way Christians know and interact with each other across multiple church families.

On Sunday, we were excited to welcome **Tommy** and **Vicki Gore** to our Graymere church family! They have recently moved here from White House, Tennessee. Tommy has preached in Texas and Tennessee, and most recently preached for the White House Church of Christ. Vicki taught in White House and has recently retired. Tommy has begun working with Tennessee Prison Outreach Ministry, a group that is doing some great work in prison ministry, providing opportunities for worship, mentoring, and life-skill classes to prisoners. Be sure to greet them and welcome them to our church family!

One of the reasons I am looking forward to Sunday is because **Josh** and **Divine Austin** and their family will be with us. Josh will be speaking on Sunday night, and we will get to hear about the great work taking place at the Salt River Church of Christ. You may also want to check out our facebook page to see a video report by **Evan Todachine**, as he and his family have moved back after completing a degree at Bear Valley and are beginning to work alongside the Austins.

Our Summer Series continues tonight. **Bill McDonald** did an excellent job last week, and I am looking forward to hearing **Chet Duke** speak to us tonight. Chet preaches for the Coopertown Church of Christ, and his lesson is focused on making the faith of our parents and grandparents our own. At the beginning of the school year, this is certainly a relevant topic. Let's keep learning and growing together!
