

**AN UPDATE FROM ANDREW**

This weekend, 63 people were part of the youth group's Spring Retreat at Camp Meribah. It was the first event for the 6<sup>th</sup> graders to attend as part of the youth group, and there were several parents and adults who volunteered their time to help. It is a blessing to have opportunities like this for our young people, and I am thankful for the hard work that **Jon David Schwartz** puts into our youth ministry. Even though such a large group away, we had a wonderful time of worship on Sunday morning. Since Camp Meribah is so close to us, it is always neat to see all the group arrive in the parking lot after our Bible class is over on Sunday morning.

Our Lads to Leaders groups are practicing and preparing for the convention in a couple of weeks. On Sunday, the girls will be leading the Ladies Bible class. A week from Friday, the convention in Nashville will begin. As in years past, if you would like to go up to the Gaylord Opryland Hotel and watch our young people participate, you will be encouraged. Also, another way we can help our Lads to Leaders participants is by providing homemade breakfast foods and snacks for the "team pad," the hotel room where people can gather throughout the day. If you are able to share some of those items, be sure to bring them to the building on Wednesday, March 27. On our Kingdom Focus Wednesday on April 10, we will watch the Lads to Leaders puppet shows at 6:30 before they lead us in a devotional together.

As I write this, we are preparing for our final Wednesday Men's and Women's Bible Class. I am thankful that we continue to enjoy these opportunities for Bible study. It takes a lot of work from a lot of people. **Judy Pritchett** teaches our ladies class, and several of our ladies lead devotionals during that class throughout the year. **Chad Landman, Jack Malone, and Fred Porter** coordinate our men's class. This year, it has explored the gospel of John, with a different man teaching each week. What a blessing to be part of a congregation with numerous people who are willing and able to teach class during the week.

We are only a couple of weeks away from a time when many people will be visiting our worship service. The Easter holiday provides a focus on Jesus and the resurrection in our culture, and it also gives us a time when families will worship together. Let's be sure to welcome any guests and encourage them. We might have an opportunity to seize the moment and share the gospel with someone who is searching. Let's keep learning and growing together!
