Heartfelt Ministries Heart Sister Agreement:

I understand that I have a responsibility to Heartfelt Friends when registering as a participant in this ministry. I will be a Heart Sister who enjoys the hospitality of my Heart Moms. I realize bringing children is not part of the program so that our group can focus on fellowship with each other and a Bible study. I also will refrain from including Heartfelt Friends Activities on Facebook, avoiding any competition or hurt feelings. I will do my best to show courtesy and respect by my consistent attendance. If I cannot attend a meeting I will give at least **24 hour notice** to my **Host Heart Mom**, in order to allow time for adjustment for meal preparation and any other arrangements.
